Refusing to ignore people in crisis

The Nepal Earthquake Appeal will support communities currently affected and those potentially affected in the future by this crisis. In the unlikely event that we raise more money than can be reasonably and efficiently spent, any surplus funds will be used to help us prepare for and respond to other humanitarian disasters anywhere in the world. The British Red Cross Society, Incorporated by Royal Charter 1908, is a charity registered in England and Wales (220949), Scotland (SC037738) and Isle of Man (0752).
