

Supporting Your Child's Emotional Wellbeing

Who is this workshop for?

Parents of children aged 5-11 wanting to learn information and strategies on how to support their child's emotional wellbeing and support their child to emotionally regulate.

What will be covered?

- What are emotions and why do we have them?
- The Fight, Flight and Freeze Response
- Recognising, Labelling and Normalising Emotions
- General Emotional Regulation Strategies
- Specific Emotional Regulation Tips for Anger, Anxiety and Feelings of Sadness
- Additional resources

What will I learn?

- How our brains are linked with emotion and how thoughts, feelings and behaviours interact
- Strategies to support your child to recognise, label and regulate emotions and maintain general wellbeing
- How to support your child to effectively problem solve and manage their thoughts
